1. Title and author information

Title of the article is in 2 languages, Vietnamese and English. Author information includes the full name, department, school, academic title, degree, email address, phone number. If there are multiple authors, a complete list and clear identification of the corresponding author is required.

2. Abstract and keywords

Abstract (150-200 words) and keywords (3-5 words) in 2 languages, Vietnamese and English, provide a brief overview and the main contents of the article.

3. Article content structure

Paper size: A4. Margins: Top: 20 mm, Bottom: 20 mm, Left: 30 mm, Right: 20 mm. Font: Times New Roman, Font size: 11pt, Line spacing: Multiple, 1.2 mm, First line indentation: 7.5 mm. The manuscript must not exceed fifteen (15) pages, including tables, figures, diagrams, references and appendices (if any). Images: JPG, BMP, GIF, PNG format not exceeding 7x14 cm in size; images and tables should be numbered, titled and include source citations. Structure of the article should be:

Title: In 2 languages: Vietnamese and English.

Introduction (200-350 words): Presenting the importance of the research question, a literature review, the research question or hypothesis and the objectives of the paper.

Research methodology (400-800 words): Detailing the research design, research subjects, data collection tools and data analysis methods.

Results and discussion: Explaining the significance of the results, answering the research questions, discussing limitations and impacts, comparing results with previous research and suggesting implications for researchers or policymakers.

Conclusion and policy implications (if any): Summarising the main findings, proposing directions for future research and providing specific recommendations.

References: APA 7th Referencing (American Psychological Association - 7th edition)

4. Other regulations

Articles submitted for publication in the journal must be scientific works, academic reports or results from new scientific research projects by the author, both domestic and international, with scientific and practical value. The work must not have been published elsewhere, either in Vietnamese or in English and confirmed free of conflicts of interest.

The author is responsible for the content of the article (citation sources, survey data, etc.). The editorial board has the right to make corrections as required by the Journal.

All articles published in the Journal of Educational Management Science will be fully published on the websites:

<https://tapchikhqld.edu.vn/>;

<https://vjol.info.vn/index.php/khqlgd>.
